

SIGNATURE FLIGHT SUPPORT - SAN JOSE, CA

PROJECT DESCRIPTION

For this interior concrete slab, FORTA-FERRO[®] macro synthetic fiber was chosen over competitors, macro fiber and steel fiber, after a series of side-by-side trials were completed. FORTA-FERRO[®] showed **superior mixing, placing, and finishing that competitors could not produce.** FORTA-FERRO[®] continues to maintain the reputation of being the **best mixing, finishing and performing fiber in the U.S. concrete industry.**

KEY POINTS

- Superior Finish
- Extreme Durability
- Superior Mixing
